

CASH HANDLING POLICY

Help for non-English speakers

If you need help to understand the information in this policy please contact John Mifsud or Chris O'Brien.

PURPOSE

Ardeer Primary School is committed to ensuring that cash handling practices are consistent and transparent across the school.

Ardeer Primary School will implement the measures outlined below, in accordance with Department guidelines. This policy intends to safeguard and protect the staff involved in the receipting and collection of monies and minimise the risks associated with cash handling.

SCOPE

This policy applies to all school staff or volunteers involved in handling cash on behalf of Ardeer Primary School.

POLICY

Roles and responsibilities of staff

At Ardeer Primary School the Business Manager is responsible for managing cash at our school. However at times in the absence of the Business Manager, John Mifsud (Principal) and Chris O'Brien (Assistant Principal) will be responsible.

Where possible, segregation of duties will be maintained so that no individual will be responsible for more than one of the following:

- receipting of cash and issuing receipts
- preparing the banking
- taking the monies to the bank
- completion of the bank reconciliation

If this is not possible due to lack of available staff, the Department's "Segregation of Duties – Cash Checklist" will be implemented and signed off for audit purposes.

Storage of cash

Monies are to be kept in either a controlled access safe or cash drawer during the day. If funds are kept on the premises overnight, they must be locked in our school's secured safe.

No monies are to be kept in classrooms or left at school during holiday periods.

All monies that are collected in the classroom will be forwarded to the office as soon as possible after collection.

Money collected away from the classroom or general office e.g. classroom/ second hand uniform sale, is to be handed to the office on the day of receipt unless circumstances make this impracticable.

Money received to classroom teachers must be counted at the point of collection, documented in the cash book before it is provided to the office.

Records and receipting

All receipts are to be processed in CASES21 as quickly as practicable upon receiving the funds.

Monies received from the classroom will be entered into CASES21 and receipts returned to the classroom to be handed out to students within 48 hours.

Where monies are received over the counter at the office they will be entered into CASES21 and an official receipt issued immediately to the payer. If this falls at the end of month when the batch has already been finalised the money is held until after the end of month procedures have been run, hand written receipts are given upon request during this time.

A CASES21 bank deposit slip will be printed and reconciled with total receipts for the day and with the total of cash/cheques to be banked.

Funds are to be banked as soon as possible after being reconciled and at different times of the day.

No receipt is to be altered. Where a mistake is made, approval must be sought before reversing the incorrect receipt. Copies of the incorrect receipt should be retained with details of why it was reversed.

Prior to a receipt batch being updated a receipt can be reprinted if necessary. The word REPRINT appears on the receipt. After the batch has been updated, if a copy of the receipt is requested the Family Statement, Family Matching Transactions Report or the Family Transaction History can be printed.

Cheques

No personal cheques are to be cashed.

All cheques received by mail are to be entered in a remittance book, and all cheques, which have not already been crossed "not negotiable", should be crossed as soon as they are received. Cheques are receipted into cases21 and remittances (if the cheque comes with one) are filed.

Fundraising

Two parents or staff members will be designated as 'Responsible Persons' for all school fundraising events or other approved events where monies may be collected, e.g. Mother's/Father's Day Stall, chocolate drive, end of year concert, book fair and book club.

Reporting concerns

Discrepancies that cannot be accounted for must be reported to the Principal.

All cases of suspected or actual theft of money, fraud, misappropriation or corruption are to be reported to the Executive Director, Audit and Risk Division by email addressed to: fraud.control@edumail.vic.gov.au

This policy will be communicated to our staff in the following ways:

- Included in our staff handbook
- Included on our school website
