

2023 Parent Payment Arrangements

Dear Families,

At Ardeer Primary School, we are committed to providing the very best educational outcomes for all students. We are looking forward to a great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and wellbeing support for our students. We want to thank you for all your support in previous years. As a small school, we operate with an extremely finite budget and your contributions make a huge difference to our school and the programs that we can offer.

In past years, our community has supported us by paying these contributions which has allowed us to offer a robust and varied curriculum program. To sustain these programs this support is still very much needed. We hope that this support will remain, and families continue to pay these contributions.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

We thank you in advance for your support and look forward to working with you and your child in 2023.

Yours sincerely

John Mifsud
