

Ardeer P.S 2024 School Concert and Art Show

December 9, 2024

Welcome to the Ardeer Primary School 2024 School Concert and Art Show.

Thank you for joining us to celebrate the end of another fantastic year. It is a wonderful way to come together as a community to celebrate the tremendous work carried out by all staff and students over the course of the year.

It is only through the collective efforts of all staff, students, and families that we can continue to make Ardeer P.S the great school it is.

Tonight, we see our graduating Year 6 students participate in their final school concert. At the same time, we see our youngest members of the school participate in the first of many.

This event could not have been possible without the support of all staff and students.

My special thanks to Rhiannon Thomas and Mark Grunden for the incredible Visual Arts and Music program that they run at the school, and for their work in making tonight a success.

I hope you all have a brilliant night.

Yours sincerely,

Christopher O'Brien
