PRINCIPAL'S MESSAGE

Dear Families,

Welcome to the start of Term 3. I hope you all had a very relaxing break and managed some downtime with the family.

The Term has started off on a really positive note. It has been great to see such fantastic student attendance over the first two weeks.

Every year students from Year 4-6 participate in a student's Attitudes to School Survey. The survey is facilitated by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school.

We recently received the results of the 2023 survey and have commenced the process of unpacking this important data. As a school we are continually seeking ways to improve practices and continue to reflect on ways that we can provide the highest learning and wellbeing outcomes for every student, every day on an ongoing basis. In the process of reviewing this student feedback, we will analyse it carefully and seek opportunities for improvement and develop next steps. Below is a snapshot of some of our fantastic 2023 results.

Domain	Percentage of positive endorsement
Stimulated Learning	90%
My teacher sets clear rules for classroom behaviour	97%
My teacher cares about how I am feeling	93%
My teacher makes sure I can join in class activities	100%
It's ok to be different at this school	97%
My teacher makes learning fun	93%
My teacher gives extra help when students need it	94%

We respectfully acknowledge the Traditional Owners of country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

ASSISTANT PRINCIPAL UPDATE

Dear Families,

Term 3 is shaping up to be a busy one, please see below for important information about upcoming events:

School Wide Positive Behaviour Support family night

On Thursday 10th August, we'll be hosting a SWPBS family information night to explain to families how our new school values (that you helped to select!) will be used to inform our school approach to student engagement. Join us at APS from 4.30pm – 5pm to learn more about this exciting program. You'll also have the opportunity to learn about how the Compass Parent Portal can be used to keep you updated on important information.

Grade 6 – Year 7 Transition:

Students in Grade 6 received a placement letter on Wednesday 19th July to let them know which government school they had been accepted into for 2024. Also included with the letter was a 'Placement Acceptance Slip'. Could families please complete the acceptance slip and return this to me by no later than Wednesday 9th August. If you have any questions about your child's placement for Year 7, please don't hesitate to contact me.

Prep/1 and 2/ 3 Swimming Program

In less than 3 weeks, students from our Prep/1 and 2/ 3 classes will be participating in our two-week intensive swimming program. This will run from Monday August 7th to Friday August 18th for those students who have made payment and returned consent forms. Just a reminder to families to ensure their child brings a plastic bag with their swimming clothes and a clean towel each day they are attending.

Prep/1 farm excursion:

Students in Prep/1 will have the opportunity to attend a farm excursion on the 31st August to further their learning about living things as part of their Science unit. Parent consent forms went home earlier this week, please ensure that payment arrangements are made and consent forms returned by the 17th August for your child to participate.

Grade 3 – 6 Camp

Families have until this Friday 21st July to return camp consent forms and make payment of a \$50 deposit if they would like their child to attend camp this November. Unfortunately, if we are unable to secure enough attendees, camp will not be able to go ahead. Further information will be shared with families in week 3.

Christopher O'Brien

Assistant Principal

We respectfully acknowledge the Traditional Owners of country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

FUNDRAISING

A huge thank you to all the students that contributed a gold coin donation to the out of school uniform day that was held on the last day of Term 2. As a result of the event, we raised \$151. As communicated previously, all money raised will be donated to Exford Primary School community with all funds going towards supporting the students and families that were impacted by the recent bus crash.

STAFFING NEWS

In some recent news, I would like to welcome Rhiannon Thomas who was the successful applicant in the recently advertised Art/Library vacancy here at our school. Rhiannon is well known to the staff, students and families here at the school through her work as both a casual relief teacher and through her short-term contracts at the school. We wish her all the very best in this new role.

In other news, I received confirmation from Meredith that after 34 years of working at Ardeer Primary School that she would be retiring and will not be returning after the Term 2 school holiday period. After an incredible career contributing to improving the lives of and supporting literally hundreds of students, Meredith will be calling it a day. Her contributions to the school over so many years is a credit to her ongoing commitment and passion to such an important role at our school.

We respectfully acknowledge the Traditional Owners of country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

100 DAYS OF SCHOOL

The Prep/1 classes are super excited to be celebrating 100 brilliant days of school!

We are celebrating 100 days of school on Monday 24th of July.

It is a normal school day with special activities planned.

We encourage children to come dressed representing 100.

We ask that students bring a collection of 100 items to share on the day eg 100 cotton balls, 100 lego pieces etc.

There will be a parade at 9am in the language zone and all families are welcome to attend

SCHOOL!**

NAIDOC WEEK 2023

At Ardeer Primary School we recognise the importance of celebrating First Nations culture all year round.

However, NAIDOC Week is a particularly important time to celebrate the histories, cultures and achievements of all Aboriginal and Torres Strait Islander people. This year the 2023 theme was 'For Our Elders.' The students across the school have all been engaging in important work celebrating our country's rich Indigenous culture.

We respectfully acknowledge the Traditional Owners of country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

2023 NAPLAN RESULTS

The results of the tests provide information for students, parents, teachers and principals about student achievement, which can be used to inform teaching and learning programs.

NAPLAN tests provide point-in-time information regarding student progress in literacy and numeracy and are intended to complement teacher judgement and the wide range of formal and informal testing programs that are already used in schools.

As with all single assessments, NAPLAN test results are not intended to be used in isolation from other school-based assessment programs.

In 2023, some important changes have been made to the way NAPLAN results are reported for both students and at the school-level. Please see the [NAPLAN Reporting](#) page for more information.

TREE PLANTING

At the end of last term, I purchased a range of apple trees for our garden with some of the funds raised from our recent Colour Explosion fun run. The school also received a very generous donation of a range of fruit trees from Hello Hello Plants. These thirteen trees were planted a few Saturdays ago. My sincere thanks to Andy Stubbs for volunteering to help and get these trees in the ground. It was a monumental effort and one in which I could not have been achieved without the support of Gerry, Andy and even my dad came down to get his hands dirty and help out.

We respectfully acknowledge the Traditional Owners of country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

ADDITIONAL PUPIL FREE DAY REMINDER

Notification was sent out to families via Compass last month regarding the implementation of the new Victorian Government Schools Agreement 2022. As a result, the department has agreed that principals, through their school councils, may schedule one of the two common professional practice days (PPDs) for 2023 as an additional student-free day. This is communication that our school will be holding a common professional practice day on **Thursday 23rd November**. This will be a student free day, with no school occurring on this day for students. The OSHC program will be running on this day, should parents require care for your child. Please contact TheirCare on **1300 072 410** to discuss care options that will be available on this day.

We respectfully acknowledge the Traditional Owners of country throughout Victoria and pay respect to the ongoing living cultures of First Peoples.

2024 FORWARD PLANNING

Work is now under way the development of plans for 2024. If your child or if you know of a child that is eligible to start Prep next year, we encourage you to get in contact with the school. **For a child to be eligible to start Prep in 2024, they must turn 5 before 30th April of the year they start school.**

We also ask that if you are planning to move or know that your child who is currently enrolled at Ardeer Primary School will not be attending in 2024 to let us know asap.

Foundation (Prep) enrolment timeline 2023-24

2023 Dates	Activity
Term 2: Monday 24 April 2023 – Friday 23 June 2023

5. Take part in enrolment information and transition sessions during Term 4, 2023

Ways a Parent Can Help with MATH

- 1 Look for shapes and patterns in real life
- 2 Have your child measure ingredients for a recipe you are making
- 3 Ask your child to explain the math skills he or she is working on in school
- 4 When helping your child with homework or school assignments, ask him or her to explain how he or she got an answer
- 5 Help your child find some appropriate number and problem-solving games to play online
- 6 Play card or board games that involve counting or patterns
- 7 Ask your child to count change at the grocery store, or to estimate the total cost while you are shopping
- 8 Compare:
Which is the tallest?
...the heaviest?
...the longest?
...the smallest?
...the fastest?
...the hottest?
...the most expensive?
- 9 Have tools such as a ruler, a scale, a calculator, and a measuring tape available to use in your house
- 10 Encourage your child to track or graph scores or stats for a favorite sports team
- 11 Use dice or playing cards to make a game out of practicing math facts

Point out ways math is part of "real" life: money, computers, music, art, construction, cooking...

All around us, every day.

2023 VOLUNTARY CONTRIBUTIONS REMINDER

This is a reminder regarding our voluntary financial contributions for 2023.

At Ardeer Primary School, we are committed to providing the very best outcomes for all students.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and wellbeing support for our students. We want to thank you for all your support in previous years. As a small school, we operate with an extremely finite budget and your contributions make a huge difference to our school and the programs that we can offer.

In past years, our community has supported us by paying these contributions which has allowed us to offer a robust and varied curriculum program. To sustain these programs this support is still very much needed. We hope that this support will remain, and families continue to pay these contributions.

For further information on the Department's Parent Payments Policy please click on the link here.

We thank all families that have already made voluntary financial contributions for 2023 and appreciate your support.

We look forward to working with all students and families throughout the remainder of 2023.

It has been a fabulous start to Term 3, with all our students back and fully engaged in the learning process. During the previous term our focus was on expanding their vocabulary of food signs in Auslan. The students not only learned signs for various food items but also practiced these signs through food-themed songs. Their hard work paid off during the Auslan assembly, where they showcased their songs using sign language.

Moving forward, our students will be exploring signs related to natural disasters, fostering a deeper understanding of these phenomena and how to communicate about them in Auslan. They will also have the opportunity to learn signs for different type of birds, allowing them to appreciate the diverse avian species found in our surroundings in the next few weeks.

These topics will not only expand their Auslan vocabulary but also enable them to express themselves more fluently and effectively in real-life situations. Please see below how much fun students have while participating in various activities and engaging with their peers using sign language.

five tuition

At Five Tuition, we believe learning happens most naturally and effectively when someone you respect sits humbly beside you, helps you with something, speaks honestly to you, has hope for you, and honours their commitment to bring about positive changes for you – in school and life.

Everything we do at Five Tuition supports that learning process. It sounds simple because learning is simple! Learning doesn't require complex programmes, a detailed curriculum, or the latest technology – as helpful as they might be. Learning simply requires someone with the competence to teach, the character to model, and the commitment to pass on their knowledge.

We recruit and train the nicest, brightest, and most talented university students living in Melbourne's West. All our tutors have attained exceptional VCE scores, have a heart for younger people and a passion to share their knowledge, skills, and experiences with others.
