PRINCIPAL'S MESSAGE

Dear Families,

This will be the final newsletter for 2025.

As we wrap up the 2025 school year, I want to express my heartfelt thanks to our students, staff, and families for another inspiring year of learning and community. One of the true highlights was our recent school concert and art show, where our students shone with creativity, courage, and enthusiasm. The talent and teamwork on display were a wonderful reminder of the vibrant spirit that defines our school.

I extend my gratitude to our dedicated staff for their hard work and to our families for the support you show every day. Together, we've created an environment where students feel encouraged to try new things, grow in confidence, and celebrate each other's achievements.

To our graduating students and those leaving our community, we wish you every success in the next chapter of your journey. You will always be connected to the school irrespective of the length of time that you have part of the school community.

As we look ahead to 2026, we are excited for the opportunities to continue strengthening learning, wellbeing, and connection across our school.

Thank you for a fantastic year. Wishing all our families a safe, restful, and joyful holiday break.

Yours sincerely,

John Mifsud

ASSISTANT PRINCIPAL'S MESSAGE (CONT)

Dear Families,

I hope you're well,

It's hard to believe that we only have just over a week to go for the academic year. As this will be my last newsletter article as Assistant Principal at Ardeer Primary School, I just wanted to thank each and every one of you for your partnership with the school to support your child's learning and wellbeing. I have thoroughly enjoyed my time at APS and thank John and the team for their support over the last four years. APS is a wonderful school, with high levels of support for all students at their point of need and is at a very exciting point in its journey.

In preparation for the end of year, I posted some important information to families earlier today regarding student medication kept at school and the updating of medication plans. This information has also been included in the newsletter, so please read carefully and reach out if you have any questions at all.

I'd like to wish you all a happy and safe holiday period. If you are travelling during the festive season, be safe and stay well.

Have a wonderful week,

Regards,

Christopher O'Brien

Assistant Principal

LAST DAY OF THE YEAR (EARLY DISMISSAL AND OUT OF UNIFORM DAY)

A reminder that the last day of the year will be on Friday 19th December. Students will be dismissed at the earlier time of 1:15pm on this day. We please ask that families make suitable arrangements for the collection of students at this earlier time. The TheirCare OSHC program will be operating at the earlier time of 1:15PM if families require care for their children.

This will also be an out of school uniform day. Students that attend school out of school uniform are asked to please bring along a gold coin donation.

School Wide Positive Behaviour Support

As we reach the end of another year at school, we want to acknowledge our amazing students for the fantastic way they've demonstrated our SWPBS values of Respect, Safety and Responsibility.

Throughout the year, students have been working hard to follow our Ardeer Primary School Matrix of expected behaviours, and we've seen so many moments—big and small—where they've really shown what these values look like in action. From using kind words in the classroom, to playing safely in the yard, to taking responsibility for their learning and belongings, our students have shown real growth and pride in themselves.

It's been wonderful to see classrooms celebrating positive choices, students earning awards, and everyone working together to make our school a calm, welcoming and supportive place to learn.

We're incredibly proud of the effort, teamwork and positive behaviour we've seen across all year levels. A big thank you to families as well for your ongoing support—your encouragement at home makes such a difference.

We look forward to building on this year's success, and we hope everyone has a safe holiday break.

STAFFING NEWS

We are thrilled to be welcoming some new staff to the team in 2026. The following staff have been appointed recently: Hollie Winfield (Acting Assistant Principal), Jazmin Lopez (Education Support) and Nadya Saab (Auslan/Classroom teacher). I am sure you will join me in making these new staff members feel welcome to the school community.

SCHOOL COUNCIL REQUIREMENTS- WORKING WITH CHILDREN'S CHECK

From 2026, parents, carers and community members who would like to join the school council need a working with children (WWC) clearance to nominate. If you are considering nominating for school council, and don't already have a WWCC, I encourage you to apply for a volunteer WWC check as soon as possible. This will allow for processing times, which are estimated to be from 3 to 12 weeks.

Please note that if you do not hold a WWC clearance, you will not be able to nominate for school council, so it is vital that you prepare in advance. Obtaining a WWC clearance is free for volunteers, and you can apply online at [Service Victoria](#).

When applying for your volunteer WWC check, please nominate the Department of Education as the organisation you are working for.

If you already hold an employee WWC clearance, you do not need to obtain a volunteer WWC clearance to nominate for school council.

Victorian Institute of Teaching-registered teachers and school students who are interested in joining school council are not required to obtain a WWC clearance.

Current parents and community members of school council do not need to apply for a WWC check immediately. Current members only need a WWC clearance if their term ends and they wish to nominate or be co-opted again.

For more information, refer to Ministerial Order 1280 (Constitution of Government School Council For more information, refer to Ministerial Order 1280 (Constitution of Government School Councils) 2020.s) 2020.

2025 AWARDS ASSEMBLY

Our recent Awards Assembly was a wonderful celebration of the effort, growth, and achievements of our students. We proudly recognised those who have demonstrated outstanding academic progress, leadership, citizenship, creativity, and commitment to our school values throughout the year.

Congratulations to all award recipients—you have set a shining example for your peers, and we are incredibly proud of your accomplishments. We also acknowledge the hard work of every student; your dedication and perseverance enrich our school community every day.

2025 SCHOOL CONCERT AND ART SHOW

My thanks so all the families, past students and staff that attended our recent school concert and art show. It was a great night that showcased our incredibly talented students. My thanks to TheirCare for donating the food, drink and their time to support in our fundraising BBQ. Special thanks also to Rhiannon Thomas and Mark Grunden for all their work in preparing for the night.

2026 Parent Payment Arrangements

Dear Families,

At Ardeer Primary School, we are committed to providing the very best educational and wellbeing outcomes for all students. We are looking forward to a great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and wellbeing support for our students. We want to thank you for all your support in previous years. As a small school, we operate with an extremely finite budget, and your contributions make a huge difference to our school and the programs that we can offer.

In past years, our community has supported the school by paying these contributions, which has allowed us to offer a robust and varied curriculum program for our students. To sustain these programs this support is still very much needed. We hope that this support will remain, and families continue to pay these contributions.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

We thank you in advance for your support and look forward to working with you and your child in 2026.

Yours sincerely

John Mifsud

Camps, Sports & Excursion Fund (CSEF)

The Victorian Government has again committed to providing eligible students with Camps, Sports & Excursion funds (CSEF). These funds are paid to the school to use towards excursions, incursions, and camps for eligible students. To be eligible for the funding, a parent or legal guardian must be the holder of a current Healthcare card or Pension card or be a temporary foster parent on the first day of Term 1 or Term 2. Parents who are eligible for CSEF and are applying for CSEF for the first time at the school or have a child commencing in 2026 will be required to complete a CSEF application form as early as possible in the New Year. Applications close at the end of Term 2, 2026.

Centrepay

Centrepay is a free service offered by Centrelink to help recipients of Centrelink payments arrange regular deductions for payment of ongoing expenses and regular bills. Should you wish to participate in this, please speak with a member of the administration team in the Office.

The Office will be open on **Tuesday 27th January 2026 between 9:00am - 3:00pm** to assist parents in making payments prior to the commencement of the school year.

Payment Methods:

- EFTPOS • CASH
- DIRECT DEPOSIT

Account Name: Ardeer Primary School

BSB: 063172

Account Number: 10126125

Bank Name: Commonwealth Bank

When paying by direct deposit please use your child's SURNAME and 2026 PP as the reference e.g. "SMITH 2026 PP"

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

All consent and payments must be returned by the due date; no late payments or consent will be accepted after this time. This is to ensure we meet our obligations to thoroughly plan for such events. This includes ensuring adequate student to staff ratios are maintained, arrangements regarding transportation and any other associated costs can be accurately planned and budgeted for.

Stay Connected

Ensure you are connected to COMPASS; these details will be sent to all new families. It is through COMPASS that you will receive all school updates, newsletters, urgent information and school reports.

SEESAW is available for families to communicate directly with your child's teacher, view photos and videos of student learning. Details are sent out at the start of each year so that you can connect to your child's new classroom teacher.

You can also keep up to date via our School Website ardeerps.vic.edu.au and our Instagram page [ardeer.ps](#).

Change of Details

Please make sure you send in any new information relevant to your family / child. This can include:

- Change of address
- Change of phone numbers
- Change of emergency contacts or their details
- Any legal documents – court orders / custody arrangements / Out of Home Care etc
- Any medical plans / information for children with diagnosed illnesses or conditions
- Asthma plans

OSHC Provider

Our OSHC (Out of School Hours Care) provider is TheirCare. They offer care programs for:

- Before and after school care
- School holidays
- All curriculum days

The OSHC program runs Monday- Friday from 6:30AM to 8:30AM and 3:15pm- 6:30PM. The program also operates during all school holiday periods. For further information, visit www.theircare.com.au or call their support office on 1300 072 410

State Schools Relief

For families eligible to access State Schools Relief, there is now a nominal charge payable on the school specific uniform. This includes all polo shirts, windcheaters, rugby tops and jackets. The charge is different for each item; you can contact Meg in the office to discuss this further.

Uniform

All students are required to be in full school uniform each day. Information relating to the school's uniform policy is available on our school website. We have an onsite uniform shop where families can purchase uniform items. A price list is available on our school website. It is compulsory that a school bucket hat is worn by all students in Terms 1 & 4.

UNDERSTANDING THE VICTORIAN TEACHING AND LEARNING MODEL (VTLM 2.0)

Department
of Education

Victorian Teaching and Learning Model 2.0

* Knowledge includes factual, conceptual and procedural knowledge. See AERO (2023), <https://www.edresearch.edu.au/resources/how-students-learn-best>, p.5

SUPPORTING YOUR CHILD'S LEARNING AT HOME- (NUMERACY)

Key Aspects of VTLM 2.0:

Evidence-Informed: Built on research in cognitive science, neuroscience, and effective practices from Victorian schools.

Focus on How Students Learn: Clearer emphasis on memory, retention, and making learning stick.

Core Components:

How Students Learn: Understanding cognitive processes for effective learning.

How Teachers Teach: High-quality, evidence-based practices.

Key Practices:

Explicit Teaching: Clear objectives, modeling, chunking information, scaffolding, feedback.

Positive Classroom Management: Strategies to create safe, inclusive environments.

What it Means for Students:

Clearer learning goals.

Information presented in manageable steps.

More practice and support to build confidence.

More opportunities for independent application and critical thinking.

Elements of Learning

The four elements of learning in the VTLM 2.0 are based on insights into the process of learning from cognitive science, neuroscience and education psychology.

The four elements of learning in the VTLM 2.0 represent these key findings from the evidence-base:

Attention, focus and regulation: Learning requires students' active engagement and focused attention in order to move new information from working memory to long-term memory. Student learning can be supported by minimising distractions, setting appropriate levels of challenge, using rules and routines, and establishing learning environments where students feel accepted, valued and that they belong.

SUPPORTING YOUR CHILD'S LEARNING AT HOME- (NUMERACY)

Knowledge and memory: Working memory is the active workspace for engaging with knowledge, skills and concepts. Learning happens when new knowledge moves from working memory to long-term memory. Long-term memory is where information, including our memories, are stored and new knowledge is linked to existing mental models.

Retention and recall: As working memory has limited capacity, it is best supported if new information is introduced in small, manageable chunks, a task is not too difficult for the current level of knowledge, there are no visual or auditory distractions and there are clear expectations and consistent rules and routines. Practice using new information facilitates transfer to long-term memory and retention. Recalling new knowledge strengthens the connections in long-term memory and makes it easier to apply.

Mastery and application: Spaced, varied and repeated practice consolidates learning, builds neural connections, supports transfer of learning to new situations and leads to ever more complex mental models in long-term memory. This in turn supports retrieval and application of knowledge. Students can more effectively engage in problem solving and generate new learning once they have acquired the relevant knowledge.

five tuition

At Five Tuition, we believe learning happens most naturally and effectively when someone you respect sits humbly beside you, helps you with something, speaks honestly to you, has hope for you, and honours their commitment to bring about positive changes for you – in school and life.

Everything we do at Five Tuition supports that learning process. It sounds simple because learning is simple! Learning doesn't require complex programmes, a detailed curriculum, or the latest technology – as helpful as they might be. Learning simply requires someone with the competence to teach, the character to model, and the commitment to pass on their knowledge.

We recruit and train the nicest, brightest, and most talented university students living in Melbourne's West. All our tutors have attained exceptional VCE scores, have a heart for younger people and a passion to share their knowledge, skills, and experiences with others.
